If Jesus left, the number nine shirt will almost certainly become Haaland in view of the 2022/23 season. Who's worn the #9 shirt for Man City in the past? The legend of the city Paul Dickov was one of the first and most memorable players to wear the number nine shirt in the city at the beginning of the Premier League era. Fans' favorite scored some classic goals including the strike that secured City's promotion in the Premier League in 2000, and succeeded him as number nine by the prolific and popular attacker of Costa Rica Paulo Wanchope. The great Andy Cole of the Premier League wore the T-shirt during the 2005-06 season, with the former Belgian striker Emile Mpenza, the former Bulgaria frontman Valeri Bojinov, Emmanuel Adebayor and Alvaro Negredo-the first club hero in the champion league, In 2013 - among those who have held it since. Other: à How will Erling Haaland fit into Man City? Will it be the best gain of Pep Guardiola? What shirt numbers did Erling Haaland wear during her career? Haaland is known as a number nine now, but it has not always been the case: as a car for the emerging goal, he wore number 30 for former Red Bull clubs Salzburg and Molde and number 19 in the Bryne youth team. Covered by Norway at every youth level, he also wore number 23 on his way through national ranks before taking shirt number nine for his country last season. What Man City Shirt Numbers Are Currently Free? Numbers one and four are the lowest team numbers that Haaland could potentially wear when joining City. Assuming that the hitman does not opt for shirt numbers that are little associated with the attackers, there are some other obvious options. Numbers 19 and 30, which he took in his previous clubs, could adapt to him. Even the15 would be an emotional choice: Haaland's father wore it during his period in defense of the city and in the midfield between 2000 and 2003. Published 14: 31, 30 June 2022 BST | Last updated - 14: 41, 30 June 2022 2022 Haaland and Julian Alvarez both selected their Manchester City T -shirt numbers before the new season, City Xtra understand. The couple is closing on their very expected arrival at the City Football Academy, to start working with their new teammates before the start of the 2022/23 season. While Erling Haaland is enjoying the Marbella sun during his very necessary summer holidays, Julian Alvarez remains in service with his loan club River Plate currently. Both men are required to arrive for Manchester City pre-stagional training and around 11 July, with some players already returning to the program. However, before then, the club should reveal the number of t -shirts of each player for the new season, with many supporters already anticipating which of the impressive duo mentioned above has chosen the iconic number '9' shirt to the club. Erling Haaland connects with his teammates of Manchester City Prestogabriel Jesus '45 million transfer to Arsenal in the next few days - which is still to be announced by the London club, despite being complete - not only allowing Manchester City to further reinvest This summer, but also freeing his number of shirt for a desiring suitor. With this saying, City Xtra understands that both Erling Haaland and Julian Alvarez have already informed Manchester City of their desired team numbers that will be revealed in debt time. For Haaland, the sources told City Xtra that international Norway has chosen and become the new '9' number of the club - inheriting the shirt from the release of Gabriel Jesus. As for Julian Alvarez, a source close to the player told City Xtra that the selected number of the Argentine "surprising" the supporters. At the moment, the available shirt numbers that some The most realistic for Alvarez would be: 15, 19, 21, 30, 32, Julian Alvarez is in great shape in front of his move for Manchester CityManchester City Summer Frantic Frantic activity in the way of potential exits from the club could mean additional team numbers are made available in the next days and weeks. Raheem Sterling's "7" shirt could be made available in the near future, with Chelsea known for being hot looking for the player. Elsewhere, the uncertain future of Aleksandr Zinchenko means that the number '11' can be on the market again, while the number '6' of Nathan Ake could be made open for the selection should decide to move away from Manchester City. In the way of potential entry to rival teammates for new numbers, Calvin Phillips from Leeds United expects his move to Manchester City in the next few days with the two clubs that agreed on a £42 million deal. Calvin Phillips will almost certainly move to City this summer. Image: AlamyPhillips is ready to undergo his various medical tests on Friday in a big step ahead to complete his exit from Elland Road. Media tasks and club formalities are required to follow, with their cards now all finalized and prepared by all parties for the arrival of the player and its representatives at the end of this week. International England can be tempted to inherit the iconic number 25 of Fernandinho, while Marc Cucurella of Brighton is another player of considerable interest and will need those figures to maintain the flow of promising young talents. Erling Haaland will wear the no.9 on the back of his Manchester City jersey in his first season as a Premier League player. The city formally confirmed the arrival of Haaland from Borussia Dortmund last month, but the twenty-one was unveiled in a white shirt, creating a sense of mystery around his team number. That mystery was solved on Saturday when the city announced that Haaland had takenwho was recently vacated by Gabriel Jesus when he entered Arsenal. Traditionally it is the club that chooses which number a player will wear, but the formulation of the City statement has clarified that they had left.lanac .ltaiciffu ilanac irtsou ius evil li erluges o ihuqca ivoun irtsou i erartnocni ioup emoc irpocS .oilgul 01 acinemed atseuq elaiiceps otneva nu ni .Attic alled naf ia itatneserp ititut onnaras oneroM agetro nafetS e ,zeravIA nalul j ,spililp nivlaK ,dnalaaH gnirE ,pohs/moc,yticnam osserp enimlo e erotS midatS ol osserp otstuegaal rep elibinopsid "À dnalaaH id 9.oN acimac aL ,epohcnaW oluaP e nniuQ llaiN ,vokciD luaP ,sicanrF roverT ,elyoR eoJ ,ddiK nairB ,eel sicanrF emoc iralopop otlom erugif ad otassodni etnemetedecerp otats "À de ytiC a ocioici "À 9.oN li ,viteibo lig noc omionmS ,susej leirbaG osrapmocs etnemetnecer lad ailgam al atidere e dnumtroD aissuroB xe'lla oremun ossets ol avassodni dnalaaH TRIHS 9# DNALAAH YUB ,etatse'tseuq id amirp inna eucnic id ottartnoc nu ottamrif reva opod oilgul oi li bulC la otinu etnemlaiciffu "À is esegevron etnaccatta L ,ytic retsehcnAM a 9.oN acimac al erassodni id otlecs ah dnalaaH gnirE ,moc,yticnam,ytic retsehcnAM id enimlo ozogfen len atidnev ni yesrej "9 dnalaaH" A.susej e otloN ,odergeN oravIA ,royabedA leunammE ,vonijob irelav ,aznepM elimE ,eloc werdnA ,epohcnaW oluaP ,vokciD luaP ,nniuQ llaiN onare .Attic alled 9.on itnedecerp I .3991 len ittofortni itats onos ardauqs id iremun i eht onemnom lad ytiC a 9.n otangessa eresse da erotacoig omisecidnu"1 "À dnalaaH ,bulc led asac acimac avoun alled etidnev elled otnemua etrof nu eracsenni rep otsiverp "À .Attic alled oicunna'L .3002 li e 0002 li art ytiC a eifIA erdap ous ad otassodni etnemetedecerp oremun li - 51 .n li rep eratpo essetop dnalaaH eht onavasnep naf inucla aM ,enoigats asrocs al dnumtroD a 9.n otassodni ehcna aH .ardauqs alled elapicnirp namtnorf id sutats ous li etnemasicerp "Àip atneserppar ehc oremun li .À .dnalaaH id atlecs amirp al essof ehc elibaborp erpmes are 9.oN",ytic retsehcnAM a 9.oN acimac al erassodni id otlecs ah dnalaaH gnirE" :ottel aH ,dnalaaH a onif erediced
