Mitra's Wightwatch Lookout, Muriela's Hope, Mitra's Serenity, Drifter's Rest All neutral NPCs within the city will not become hostile due to the player's actions in only one part of the city. While finding resources and enemies by yourself in an open game-world has its charm, when the world is big and dangerous like the one in Conan Exiles, having a map can be quite handy. He's got a dialogue on Razma and the escape from the Exiled Lands. Neutral NPCs will not become aggressive if the player is simply seen dragging a captured NPC across the city. If a large part of the formerly neutral PCs became aggressive, they would not remain in that permanent position and would return to neutrality after some time. Lemurians: Pagoda of Boundless Lusts, Palace of the Queen of the Witches, The Sunken City. This Conan Exiles Camps and NPC Locations guide will try to highlight as many useful locations as possible where players can find thralls and other resources. in: Locations, Capitals, Relic Hunters Update Description[] Sepermeru, City of Relic Hunters, formerly known as Set City, is a large neutral location. NPC headquarters in Conan Exiles and serves as the headquarters of the Relic Hunters faction. Most of the ANP members in this city have a neutral status towards the player, which means they won't attack unless provoked. However, some NPCs, which are normally in small groups around the city, will attack automatically if the player gets too close. However, the difficulty also increases when trying to invade such a field. Conan Exiles Camps and NPC Locations Since you can't mark every location on the map, the guide will still include the largest and easiest to find settlements so players don't have to search in When they go in a farm race NPC Story The Outcast Braga Conan Gilzan the Treasury Hunter Razma by Shem Warmaker Krael The Archivist The Mountaineer Muriela the Craftsman Child by Jhebbal Sag Mek-kamoses Jamila the Queen Petruso The sandstorm Maniac Nunu Arcos The Yakira hiker, Deketo Priestess Fields NPC Black Hand Fields: Captain's Quarters, Jamilla's Library, Flotsam, Tailor's Berth, Scupper's Shelter, Deckswab's Rest, Spotter's squat, Sailstitch Camp, Sandspit, anchor point, ScooundRelic Hunter's Temple Quarter, Waterside, Southlake, Westwall Prison, Westwall. For more information on Conan Exiles, read our Thrall Capturing Guide, Leveling Guide and Race & Religion Guide. Conan is located in Waterside inside a tavern. Traders are located in Waterside and Westwall who will sell various objects to the player in exchange for silver or gold coins. Forget Clan: Stargazer's Crest, Wightwatch Lookout, Children, Ymir's Delusion, The Outcast Camp, Blizzard's Overwatch, Crystalline Chasm, Icekeeper Hollow, Flamemist Camp Thrall Camps and Settlements These fields are colored in color according to the following key: REGULATIONS YS / YOG: Altar Surrounded by cannibals / set city; dancers and priests in a city full of followers of Set's red: These are the most common thrall fields with a lot of thrall in them PS / Pirate ship: the area is full of dancers and priests and is linked to the Pirate Queen's mission. These are important settlements Thrall then the players should be careful when venturing into the Green: these are the players of the fields who meet at the beginning of the game on the south side of the world and are easy to cultivate find a desirable threshold in high-level fields is not guaranteed, even if the possibility increases because there are more 1 Playback slot in the settlements and in the main fields. These NPCs and Thrall can be captured and then broken on the pain wheel so that players can recruit them. Recruit them. of the desert: Bonepicker Camp, Claw Outcrop, Howler's praise, Hunter's View, Nā's pack, Batu's pack, Ruins of Al-Merayah, Sharptooth Passage, The Den, Waterhole Outlook, Weeping Ruin. It is divided into 5 areas: Southlake Temple Quarter Waterside Westwall Prison Estimate of the district areas: noteworthy NPC on all individual districts [Media] Darfari cannibals: bonebreaker's bend, cannibal's Rest, carver's crest, death's shadow camp, dustdevil ridge, fleshtearer falls, gallaman's fields, StormWatch, The Wardtowers, Trapper's Shanty's cabin, Caves and locality NPC N3: Mek-Kamoses, the Religion teacher S1 / S2: Giant spider cave and its underlying N5: Child of Jhebbal Sag, an ANP that could offer Quest C2: This cave has a room inside that it is supervised by the GC not dead; cave of the giant crocodile and other smaller crocodiles C3: a cave full of numerous thralls including dancers and priests C1: Hanuman cave full of imps and a statue that is deep in the UD cave: This cave leads to the dragon's boss not dead and has a giant snake inside N2: Jamila the queen pirate who can teach players the miter religion and unlock the miter altar n6: the cave leads to the ghost even if it can be With currently N1: Nunu the cannibal is here and can teach the players the yog yog and unlock level 1 yog Altar N4: Arcos the Wanderer, which does exactly how the name suggests and walk only along the southern shore This Conan Exiles Camps and NPC Locations Guide will be updated once more information is available and plus content are added to the game . Neutral NPCs can become aggressive if attacked by the player or if the fight takes place in their vicinity. Discovered a trip phase: visit Sepermeru. Sepermeru.
